## PRINCIPAL'S MESSAGE

Can you believe that September is coming to an end? I can't believe we've almost completed five weeks of school and we're halfway through first quarter! Each day as I see your kids in the hall, at pickup and drop off times, or as I listen to them sing or play in the music room and watch them on the playground, I'm overwhelmed with what a great group of students the Lord has blessed us with this year! We have 135 students on campus this year! Thank you for doing such an awesome job of preparing them to be successful in school and for trusting us with helping them along their educational path.

There are so many factors that, when combined, create a rich, full school experience for your student. Already this year the 7/8 graders went to Mountain School at Diablo Lake. I was able to join the high school Outdoor Education for a wonderful bonding time at Rasar State Park last week. Next week will already be October, which means 5/6 Outdoor School, 10/11 PSAT, and more Middle School soccer games.

Our days are full and the time flies by on campus! It's our desire to provide the absolute best for your student and we appreciate the many ways you support us in those efforts!

In His Service,  
Aubrey Fautheree, Principal
