PRINCIPAL'S MESSAGE

Greetings,

Wow! What a week! The west side of the mountains might be the wet side but we certainly are not equipped to be the snowy side! I hope you've enjoyed the winter wonderland this week along with some extra time with your student (wink, wink). I'm not sure which is my favorite...watching the snow fall or watching it melt! Right now I'm thinking it's the latter.

Happy Valentine's Day! Today we focus on love and go to extra lengths to let those around us know that they are loved. As Christians, we have the knowledge that we all are loved with an infinite, unconditional love. If we allow that love to do its work in our hearts then we will have an even larger capacity to love those around us! Here at SAA we focus our efforts on giving our students the opportunity to meet Jesus and get to know Him and His love better. It's our hope that through every interaction on our campus they will experience His love in a very tangible way. While we work very hard to teach reading, writing and arithmetic we always want to point them to Him! It is my desire that every student know what Jesus has done for them and then allow that knowledge to make a real difference in their lives.

Blessings to you and your family on this special day and may you feel an extra measure of His love today!

Cheers,
Aubrey Fautheree
