PRINCIPAL'S MESSAGE

With Autumn in full swing and the Holidays fast approaching I'm grateful for the blessings of family. This time of year there are so many opportunities to be with our families and share special time together. Don't miss out on a single one! As we are speeding through this school year I'm impressed with all the opportunities we have to make memories together as a school family as well. We had an awesome sunny afternoon on Friday carving pumpkins with the high school. This coming weekend is our Alumni Sabbath and Timberwolf Country Fair where once again we have opportunity to create memories together. Please don't miss out on a fun evening with your school family where there will be games, food, and lots of smiles!

Our first quarter of the school year ended last Friday and we will be having parent-teacher conferences next Wednesday and Thursday. There are sign-up sheets for each teacher in the front office this week. Please stop in and reserve a time to visit with your student's teachers. This is a great opportunity for you to learn how your student is doing and for the teachers to gain insights into how your student learns best. We look forward to these times to visit with you.

I'm glad you're part of our family and I hope that throughout this season you are blessed beyond measure!

In His Steps,
Mr. Fautheree

Inclement Weather

In inclement weather we need to communicate with you regarding a delayed school start or closing. In bad weather Mr. Fautheree will contact the local public school bus barn very early in the morning to find out what the local schools are doing. In most cases, if the local schools are closing or having a delayed start, we will do the same. To find out what SAA is doing, you will find notification at the following locations:

- SAA web site - on the Home Page. Go to www.skagitadventist.com.
- Email - if you do not get the WPN by email from Mrs. Long each week then you need to be added to the Skagit Family email list. Contact Mrs. Long to be added.
- Facebook - go to www.facebook.com/skagitadventistacademy
- Voice Mail - call the school and listen to the main greeting (360-755-9261)
- At this time we do not plan to use radio or TV announcements that are easy to miss.

Although school may close due to bad weather, classes will continue. We do this so that we will not need to add additional days in June to get our 180 school days for the year. On snow days class assignments will be found on the home page of our website at www.skagitadventist.com.
