

3rd and 4th Grade Snow Day Work

For each day that it snows please choose one activity for each subject to complete. Write Mrs. Dillon a note telling her what activities you completed and have your parents sign it. Also, please bring to school any assignments that were completed on paper. Thank you, have fun!!

Bible:

- Play Bible Charades. Each team needs to choose three Bible stories to act out. Your team tries to guess the Bible story you are acting out.
- Write a short play based on a Bible story.
- Hold Family worship together where the 3rd/4th grader leads out. Choose 3 songs to sing, a Bible verse to read, a story and have prayer.
- Use blocks, Legos or Play Mobile to recreate a scene from the Bible.
- Choose a verse in Proverbs and make a poster of it.

P.E.:

- Go outside and play for 20 minutes(weather permitting)
- Build a snow "fort" using pillows and blankets (get parent's permission first!)
- Have an indoor "snowball" fight (with parent's permission) using balled up socks.
- Hold a family Olympics. Who can jump the furthest? Crab walk the fastest through the living room? Invent 4 events and see who the winner is.
- Go on a nature walk and see if you can find something that starts with each letter of the alphabet.

Math:

- How many equations can you come up with that equal 100? Use adding, subtracting, multiplication and division. Bring them to school and we will see who has the most.
- Bake or cook something with your parents. Make sure you do all the measuring!
- Interview 2 adults (can be done over the phone if it is ok with parents) ask them to give you three examples of ways they use math in everyday life.
- Write a schedule of your snow day. Make sure you tell me how many minutes you will spend on each activity you select.
- Use cards to play war with a family member. Deal cards out evenly, each player flips over two cards. Multiply your cards, highest number wins.

Reading:

- Read for 30 minutes.
- Write a story that is at least 2 pages long and find someone to read it to.
- Read for 20 minutes to a younger sibling.
- Practice your spelling words by writing them 10 times each in a creative way. You can use snow, soap, shaving cream, blocks, etc.
- Read out loud for 20 minutes.
