PRINCIPAL'S MESSAGE

As the season changes and fall is in the air I continue to be excited and impressed with the group of young people on our campus this year. I have witnessed many examples of kindness and care as students interact with each other this year. We are so blessed to be part of this school community!

Last Tuesday I was fortunate to attend an assembly in Kirkland with the students from grades 7-12. There we heard an awesome testimony by Erin Jones about her life and the struggles and challenges she has overcome. Her powerful story centered around unity and placing value on each other. During her talk she encouraged the students to remember that "greatness is giving out of what you have to others" and reminded them that "every failure is God's way of changing your direction" and that if they would "lead by forgiving with grace and mercy" they would be powerful agents of change on our campus and in our world. It was a great way to start the year and her story is truly inspiring.

We continue to look forward with great optimism for this school year and are anxious to see how God will lead us here at Skagit Adventist Academy. We are here to serve you and your student so if there's anything we can do to help your student have a positive experience here please share that with anyone on our staff.

In His Service,
Aubrey Fautheree, Principal

ITBS & ITED TESTING

Testing begins this week and will be every day for several weeks. Parents, please make sure your student gets a good night's rest and a healthy breakfast that includes a complete protein. We want our students to be alert and ready to meet the challenges of testing. Testing involves students from Grade 3 through Grade 12 and will continue until Oct. 5.

SEE YOU AT THE POLE, SEPT. 26

SYATP is a student created and international student-led gathering of Christian students at a flagpole in front of their local school. This will be our third time to join in this special event. The American SYATP event occurs on the fourth Wednesday of September annually.

Our school will gather around the flagpole at 8:05 am and pray together. Then individual classes will pray throughout the day for specific concerns.

Parents, you are welcome to join. More details will be coming regarding classroom prayers.

Teacher Emails

Teacher email addresses are the teacher's first name initial, last name @skagitadventist.com. For instance, Mrs. Long's email address is llong@skagitadventist.com.

GYM FLOOR

Have you seen our beautiful gym floor? It has been redone. If you get a chance to look at it, please do. **Students must wear tennis shoes on the gym floor.** If they are not wearing them, they must pack them. To make this easier for the elementary teachers, it would be much easier, on rainy days, if the students came to school with tennis shoes please.

LOST AND FOUND

We currently have 3 fleece jackets and one navy polo in lost and found. If you are missing any items, please come and see our collection. Remember, label your coats. Also, one of our students is missing a new fleece. His name is in the coat, please check and make sure you have the correct jacket for your child. **If unclaimed, these uniforms will be donated to the used uniform room.**

SAA's mission is to:

Nurture students' relationship with God,
Create responsible citizens, and
Provide excellent academic opportunities.
