PRINCIPAL'S MESSAGE

All around me today are signs of the changing of the seasons; the leaves are being whipped around outside by the winds of Autumn and inside I can hear Christmas carols being rehearsed just down the hall. As we make the turn from Autumn into Winter I am reminded of the many things we have to be thankful for at Skagit Adventist Academy.

I am thankful for student smiles as I walk the halls and I'm reminded what a fantastic bunch of young people we have on our campus. I watch them helping each other on the playground and supporting each other in their studies and I'm proud to be part of this school family! The spirit and attitude on campus has been excellent this year and I believe it's because we have such an exceptional student body.

I'm proud of our teachers and the effort they each put forth to make learning an adventure for the students under their care. Besides classroom experiences, I've participated in outreach activities with the students and homeless individuals. I'm grateful that an education at our school means not only exceptional academics but includes many activities that give our students a well rounded experience.

As we get closer to Thanksgiving, remember to be thankful for the small and big things in your life.

*In His Steps,
Mr. Fautheree*

Immunization Requirements

The Washington State Immunization Report for our school was due 11/1. We have many students who need to be up to date. If your child has new vaccinations, please bring those in for their files. If your child needs to get caught up on vaccines please do that as soon as possible. See the Required Vaccinations for School Attendance from Washington State for the 2018-2019 school year below. Please let Mrs. Long know if you have questions.

Outreach Opportunities

Giving our students a chance to get involved in outreach in Skagit County is an important part of what we do here at Skagit Adventist Academy. This winter we have three ways that you and your students can help. We need you!

November: Cold Weather Accessories Drive for the Friendship House ministry. Please bring new or like new socks, hats, gloves, scarves, and hand warmers to donate to the Friendship House. As the weather gets colder, our homeless community needs your generous donations. Basic black thermal socks is the preferred donation.

December: ADRA Christmas Tree. We'll be having our ADRA (Adventist Development and Relief Agency) Christmas Tree again this school year. You can buy light bulbs for \$1 each to put on our Christmas Tree. All proceeds will go to ADRA, who works in more than 130 countries to provide long-term development programs and immediate emergency response needs.

January: Newborn Clothing for the New Year. In collaboration with Mrs. Stutz, we will again be providing new born clothing for those in need. Mrs. Stutz brings the items we donate to SEA MAR Community Health Center for low-income and no-income families with newborns.

ASB Lock-in Postponed!
